Hey kid!
You can't just barge in like that!!
I came to see my dad.
Your dad?
What department does he work for? Do you know his position?
I would assume he'd be on the top floor .. since he's the president
Huh?
The President?!
Are you crazy? You think I'd believe that you're the President's daughter? Hahaha!
I don't have time for this .. I'm so angry I feel like I'm going crazy.
You can t fool me!
I ve been working here for years. I know what the President s children look like and you're not one of them
Get outta here!
If you don't believe me, then message my dad and say Bo Eun is here to see him.

Do I need to kick you out of here myself?
Dad...! It's me. I'm at the entrance but the guard won't let me in.
후다닥
sfx Ha ha ha
Young Lady! I'm here to escort you. Right this way please ..
I will direct you to the President.
The chief secretary came for you? Are you really the President s daughter?
She is most certainly the President's daughter Please reframe yourself from being rude towards her from now on
Ah! I-I didn t recognize her . Did her face change?

Dear! Why are you turning this into a big deal?
You don't need to sue them.
But think about Hae Ri!
People may learn that she is not actually our daughter!
...I will crush thoroughly crush that family with crippling debt.

Hae Ri was the one who wanted this. She came to me crying and told me that he had abandoned her.
Hae Ri did?!
Miss Bo Eun is here to see you, President!
sfx: knock knock
I'm glad to see that my wife and daughter have visited today but I'm quite busy right now
Take Bo Eun back with you. I'll buy you some cake the next time you visit.

...You must be really busy.
Not only did you bankrupt a hospital that has been owned by the same family for three generations but you also took away their house and now you're going to sue them ..?!
I didn't realize my father was such a powerful and evil man.
If you're such a great man, shouldn't you be able to fix Mu Hyul's house?
Please let them go. I'm begging you, father.

I can't do that.
If they hadn't switched you and lied about it, we would have gotten you back sooner.
But Father!!
I can't forgive them...
Stop getting so attached to that family.
You probably wouldn't believe me, but they're all a bunch of conniving liars.

Mu Hyul's family have never used me.
Even if they did, I wouldn't mind...
Because I love them.
Please... forgive them.
Stop protecting them.
The more you defend them, the angrier I get. I'm simply giving what they deserve.
... Mu Hyul is incapable of lying or keeping secrets.
Doctor Seung Joon didn t intend to deceive us He wanted to tell the truth, but the matter got out of hand.

I believe in Mu Hyul.
I believe in our love.
Please... stop.
The one who should be stopping is you!
How can you continue to protect that boy? Did you forget about him two timing you and Hae Ri?
Friends are different from lovers
He said Hae Ri was a friend, but that was just another one of his lies.
We're done with this topic.
I don't want to hear about Mu Hyul ever again
If you continue to act this way around me, then it will only make things worse for Mu Hyul.

Haven't you ever made mistakes?
...I can't understand you.
I don't understand why you're so angry...
You didn't lose anything.
Weren't you still happy to raise Hae Ri for seventeen years?
You even got to meet me again...

I came back to you safe and sound.
You're hurting me...
You're being cruel and ignorant... and on top of that, you're threatening your own daughter...
...The only difference is that you didn't get to raise me. Is that why you don't understand me, or don't listen to any of my pleas?
When I met you and mom.. I never thought I would cry ever again
But I guess I was wrong.

If you're going to shamelessly turn Mu Hyul into a poor beggar, then starting today, I'll also become a beggar.
We promised to marry each other. Our hearts are already connected.
No matter what you do, you can't separate us.
If he starves, I'll starve with him. If he suffers, I'll suffer too.
So if you hurt Mu Hyul, then you'll be hurting me too.

You're crying because we didn't get to spend any time together while you were growing up...
I didn't mean to make you cry, but I can't let that boy continue to use you.
Bo Eun! Trust your father!!
Parents unconditionally love their children the moment they're born.
That family took no responsibility over their mistakes...
They made a horrible mistake and did nothing to rectify the damages. They chose to continue the deceit.
And the fact that I trusted them all these years, makes the betrayal even worse

sfx: click
With all due respect, President, how about you finish this family dispute at home? We have some debts to settle.
You! How dare you barge into the President's office?!
If you're finished with your revenge, then you're probably ready for some compensation,
Because I understand that you're not a cruel or ignorant person
I overheard everything while I was waiting outside and I'm glad to hear you're not a nasty person..
I'm also relieved to hear that you believe that a person must take responsibility for their sins

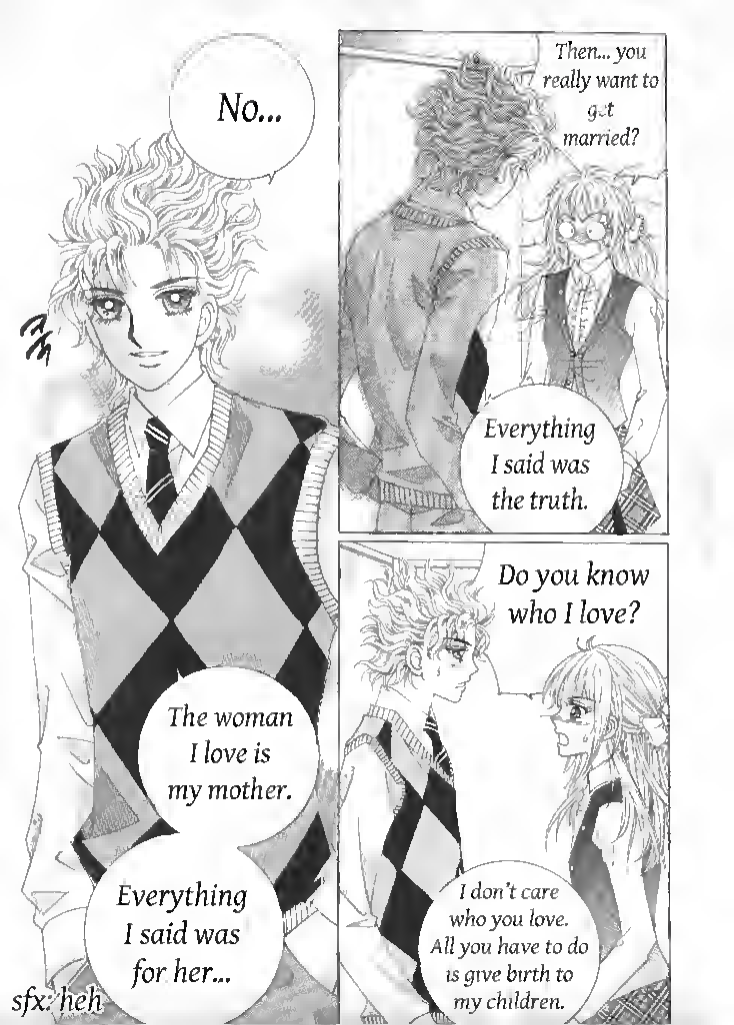
Because if that's the case, then your wife should also take some responsibility...
Considering she ran away and made someone else take all the blame...
Jin Sol... why did you come here...?
Here's how you can compensate for your crime.
I'm going to marry Bo Eun,
And we'll remain married until she has given birth to three beautiful children...
And then she'll be free...

I'm not asking for your permission.
I'm simply laying out the rules. All you have to do is follow them.
Do you know who I am...?
You and I both know that when someone commits a crime, they have to take responsibility!
sfx. bang
Your wife drove into my mother. She's nothing but a criminal
But she never went to prison... thanks to Du Gyeon Gwak

Du Gyeon loved her so much, he was willing to take the blame for the accident and raise Bo Eun...
But now that woman is the wife of a rich man and the mother of two beautiful daughters.
The family you love so much is nothing but a bunch of conniving liars.
My mother always wanted to have a son.
But you destroyed her dream when you hit her.
So in return, I want Bo Eun to be my wife and bear my children.
I will be waiting for your answer...

Bo Eun hasn't done anything wrong. Please... I'll give you anything except her.
My mother lost her baby in that accident. I don't need anything else
...If you don't give me Bo Eun, I will leak your wife's secret to the public. Everyone will know what she did.
sfx: slam

I... I'm sorry.
Dear!
Dad! Please take care of mom!
sfx: faints
sfx: turn
Jin Sol Ryu! Wait!!
sfx: open
Did you say all of that for me...?



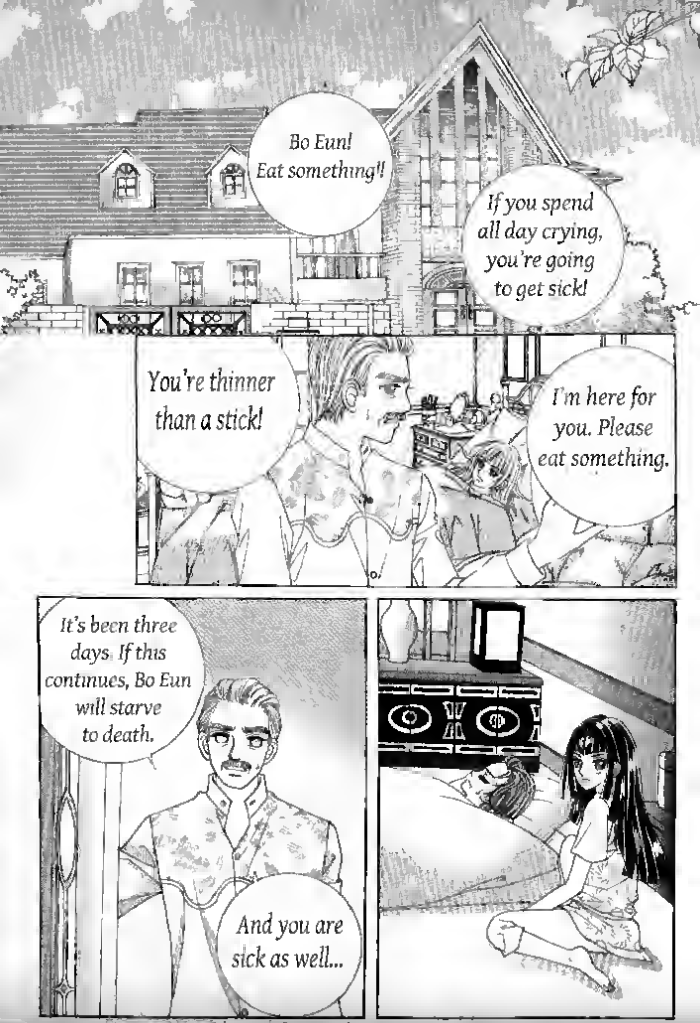
No...
Then... you really want to get married?
Everything I said was the truth.
Do you know who I love?
I don't care who you love. All you have to do is give birth to my children.
The woman I love is my mother.
Everything I said was for her...
sfx: heh

You're sick. Do you even realize what you're doing?
I thought that you were... my friend...
sfx: slap
Have you heard of the legendary bird, Be Ik? The male has one eye and wing on one side, while the female has one eye and wing on the other. They're only able to fly with each other...
And the Yeon Ri is a tree whose branches touch one another and become deeply connected...
You and I will be just like the Be Ik and Yeon Ri.
I don't want that...

Then learn to deal with it, because you're going to marry me anyways.
I won't let that happen...
I'd rather die than be a surrogate mother.
Ha! There should be a monument built for your faithfulness. The more I hear you express your feelings for Mu Hyul, the more I want to torment you
sfx: turn

I'm sorry...
I don't know what to do.
Wow! You're a better cook than me!

Bo Eun!
Let's get
married!
Bo Eun.
Please
protect him...
I'm sorry...
I want to see you...
but I'm too scared!
Mu Hyul... where did
you go?!



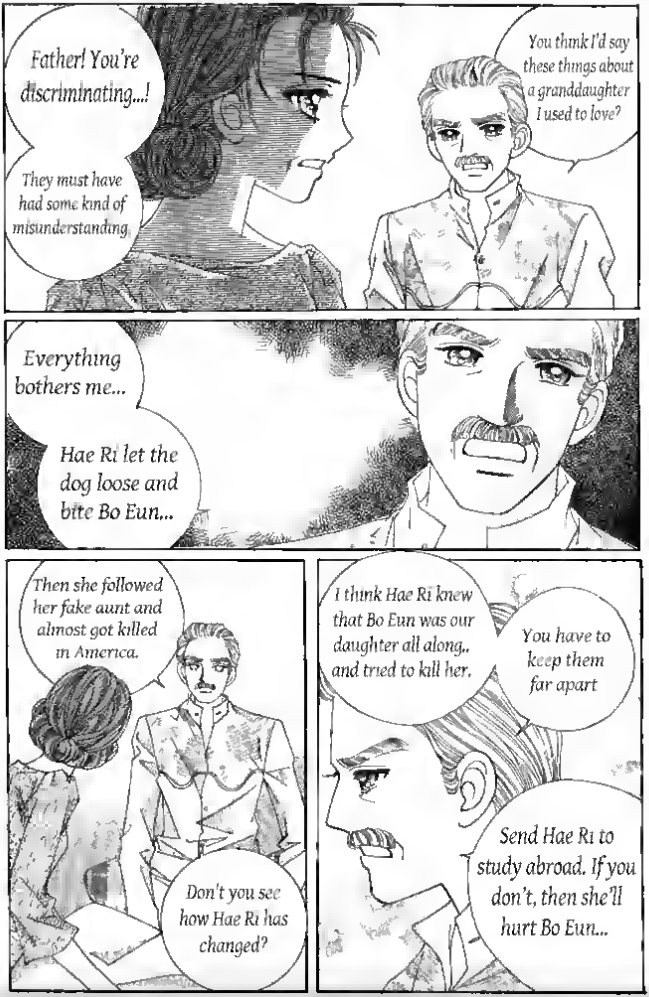
Bo Eun! Eat something!!
If you spend all day crying, you're going to get sick!
You're thinner than a stick!
I'm here for you. Please eat something.
It's been three days. If this continues, Bo Eun will starve to death.
And you are sick as well...

Hmph! A hunger strike! How could you behave like this towards your family?!
How petty...
I'm starting to wonder if we're taking things too far...
...Is sueing them really that important?
For Bo Eun to like Mu Hyul to this extent... I feel like we're going to kill her.

She's lived a hard life. Why are we making it even more difficult?
Please talk to your husband...
Is this worth destroying your family? Bo Eun is going to starve to death.
And before that happens, I'm going to die from the stress.
All she does is stay in her room and cry all day.

Is this the same angry old man who beats people with his cane...?
Grandfather!
Don't worry about Bo Eun.
She may look like she's starving, but she's secretly eating.
You're always telling lies.
When did I lie?
Father... don't speak like that to Hae Ri.
Go see Bo Eun for yourself.
Hae Ri... go to your room!
This whole ordeal pains me too...

sfx: slam
She's hurt... she can't rest properly with guests around.
That rude girl... how can she treat me like a guest?
Father... why do you keep fighting with Hae Ri?
Mom is sick. Go back to your house Grandfather.
I'm looking after Bo Eun because your mother is sick.
... Hm... hm...
You keep telling me that blood relations don't matter...
...I think Hae Ri pushed Bo Eun down the stairs
Maybe I'm just old... but to me, I feel closer to Bo Eun.
But I listened to Hae Ri and beat Bo Eun with my cane...



Father! You're discriminating...!
They must have had some kind of misunderstanding.
You think I'd say these things about a granddaughter I used to love?
Everything bothers me...
Hae Ri let the dog loose and bite Bo Eun...
Then she followed her fake aunt and almost got killed in America.
Don't you see how Hae Ri has changed?
I think Hae Ri knew that Bo Eun was our daughter all along.. and tried to kill her.
You have to keep them far apart
Send Hae Ri to study abroad. If you don't, then she'll hurt Bo Eun...

Hae Ri is not a bad kid.
Everything is fine as long as Mu Hyul is gone.
We just need to get rid of him...
Are you even considering Bo Eun's feelings?! Are you just going to watch her starve? The further you separate Mu Hyul from Bo Eun, the quicker you're killing her!
Bo Eun isn't dying anytime soon, but I have to get rid of her before she causes more trouble...
She must be hiding food under her bed...

sfx: Ugh
H-Hae Ri!
헉
Was .. Mu Hyul absent today?
Why don't you go and see for yourself tomorrow?
I... I'm sorry... I can't... see him now...
...Even if you hate me... you could at least tell me how he's doing.
Aren't you... worried about Mu Hyul?
...Why should I worry about that cheater?
Get out of my way!

...I'm not worried...
...I don't care about that asshole...
sfx, cry
I don't want to see him.
I hate how he makes me feel
He made me so jealous,
I brushed the toilet with Bo Eun's toothbrush.
sfx: brush
I hope you never want to kiss Bo Eun's dirty lips ever again...

If you kiss her again, you'll be dirty too...
I should just ignore it
I think I just saw something I shouldn't have...
sfx. knock
How long are you going to stay here?
sfx: drops
By the way, get yourself a new toothbrush.
You wouldn't want to see Mu Hyul with bad breath
